## SEWER EASEMENT

That, CHARLES ACKROYD and BEATRICE ACKROYD of 30 Parker Street, North Andover, Massachusetts; grant to the TOWN OF SEABROOK, a New Hampshire municipal corporation with a principal place of business at Lafayette Road, Seabrook, County of Rockingham and State of New Hampshire:

A certain easement in the Town of Seabrook, County of Rockingham and State of New Hampshire and the right to install, repair, maintain, alter, and operate sewer lines into, upon, over, across, and under a strip of land of the grantor as shown on a plan entitled, "Town of Seabrook, New Hampshire, Sanitary Sewer Construction, Sewer Easements," State Line Street through Newbury Street, R.G. Moynihan Civil Engineering and Surveyor, dated September, 1992, to be recorded in the Rockingham County Registry of Deeds and more particularly bounded and described as follows:

A strip of land 20' in width and running adjacent to and parallel with the easterly sideline of Route 1A, so-called, beginning at the southerly boundary of land now or formerly of Jane A. Keenan and running southerly in a straight line to the northerly boundary of land now or formerly of Noel Giard.

Being a portion of the premises described in deed as recorded in Rockingham Registry of Deeds Book 1416, Page 34. Said easement is also shown on the aforementioned plan as Lot 3/22, Section 5, Block 1.

This is not homestead property.

The Town of Seabrook agrees to the restoration of disturbed vegetation and landscaping and to return the land and improvements to its pre-existing condition, including any driveways, signs, fences, and or temporary structures, upon completion of construction and upon completion of any required future repair or maintenance. Grantor agrees that there will be no permanent structures other than those that may be located prior to the granting of this easement placed within the permanent easement area and that no deep rooted trees will be planted within the permanent easement area.

Dated this 21 day of November, 1992.

Re: Sewerage Collection System  
Seabrook, N. H.  
Contract #7

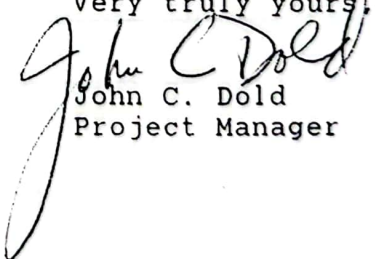

Dear Mr. Elliott,

Enclosed are copies of Sewer Easement documents relative to the Ackroyd property on Atlantic Avenue.

As you are aware, both Charles Ackroyd and his neighbor, Robert Taylor have notified the Town that during the course of sewer construction, their property bounds were disturbed.

Please proceed to reestablish these boundary markers. If the cost for this work is to be borne by the Town and not the contractor, please state the reasons and costs for same.

Very truly yours,

NOTARIAL DEED BY THESE PRESENTS

That I, the Seabrook Beach Community, Inc., a corporation duly established by law with its principal place of business in Seabrook, in the County of Rockingham and the State of New Hampshire, in consideration of one dollar and other valuable considerations, the receipt of which is hereby acknowledged, to it in and paid by Henry D. Goss and Agnes V. Goss, of Melburn, in the County of Essex and the Commonwealth of Massachusetts, as joint tenants with the right of survivorship and not as tenants in common, the receipt whereof it does hereby acknowledge, have given, granted, bargained, sold and conveyed, and done for itself and its successors and assigns, by these presents, alive, fruitful, legally, sell and convey into the said grantees, the survivor of them, his or her heirs and assigns, forever, the following described lot of land situate at Seabrook Beach in said Seabrook:

A certain tract of land situated in said Seabrook on the easterly side of the State Highway, no called, the same being lots numbered 3 and 4, and the southerly 40 feet of lots numbered 4 and 9, together with the tract of land located between said lots 4 and 5 and the State Highway, all in Block 1, Section 3, according to a plan of lots made by John P. Tinsford, C. E., in May, 1925, and recorded in Rockingham Records, Plat 27, Page 1, the said lot being bounded and described as follows: Beginning at the northeast corner of the tract herein conveyed and thence running westerly along the southerly side of lots numbered 6 and 7, 182 feet, more or less, to the New Hampshire State Highway; thence turning and running southerly along the easterly side of the said New Hampshire State Highway 90 feet to a point; thence turning and running westerly along the remaining part of the lot numbered 4 and 9, 182 feet, more or less, to Atlantic Avenue; thence turning and running northerly along Atlantic Avenue 90 feet to the point of beginning.

Being a portion of the premises conveyed to said grantor by warranty deed of Salisbury Beach Associates dated September 29, 1937, and recorded in Rockingham Records, Book 935, Page 91.

See also quitclaim deed from State of New Hampshire to Seabrook Beach Community, Inc., dated May 22, 1939, and recorded in Rockingham Records, Book 934, Page 324.

This property is subject to the following restrictions:

No building except one dwelling house for not more than one family, costing not less than three thousand (\$3,000) dollars, or a double dwelling house for not more than two families, costing not less than five thousand (\$5,000) dollars shall be erected on said lot, together with a private garage, to accommodate not more than two automobiles. Said garage may be constructed as an integral part of the dwelling house, provided, however, that the extra cost of such built-in-garage shall not be included as part of the minimum cost of such dwelling.

That any dwelling house erected on said premises shall have a brick chimney, fire resisting, on roof, and the exterior thereof shall be kept well painted and in good repair at all times.

Before any building or buildings are erected on said lot, plans and specifications of said building or buildings must be submitted to the directors of the Seabrook Beach Community, Inc., for their approval in writing and no building or buildings shall be built until said plans have been so approved.

No business of any kind shall be conducted on said lot or in any building constructed thereon.

That no sewage or effluents or other offensive or noxious substance shall be discharged into or onto the premises or the soil thereof, but shall be discharged into an air-tight septic tank or into a sewer if there is or shall be an adequate and available sewer thereon.

Dear John:

Please find enclosed a copy of a portion of RCRD Plan #D22674 (Jones & Beach sewer easement plan) on which I have marked monumentation at the five points you designated in your work request. As I did not have the opportunity to locate the requested points prior to their removal, I cannot certify that they have been replaced in the same location. I have used recorded deed and plan information to establish the correct location of the requested points within the street boundaries shown on a plan prepared for the Town by Parker Survey in 1984. This plan is on file in the selectmen's office; unfortunately, it has not been recorded at the Registry of Deeds.

Three iron pipes (3/4" ID with yellow survey caps) were set flush and witnessed with grade stakes, two marking Mr. Ackroyd's corners on Atlantic Avenue and one at his southwest corner on Route 1-A. His northwest corner was obstructed by a boulder which we could not move; another large rock about a foot below grade prevented us from getting a pipe underneath the boulder, so we set a drill hole (with paint) on top of the boulder near its northernmost end. In attempting to set a pipe at the corner of State Line Street and Atlantic Ave., we hit a stone bound at about a foot depth. As no drill hole was observed, I would guess that the top was broken off during construction, but the base is still intact. A witness stake was set.

Thank you and please call me if you have any questions.
